HERE'S WHAT WE'LL DO.

You need help with your online appearance right? Well great, we are looking forward to an incredible relationship with you! Our first sit down with each other we would love to discover who your business is and what your social goals are, and a timeline. Our team will collect your points of need and social wishes, and create a proposal for you that you won't be able to deny. To begin our journey working as a collective, we require a signed contract, and your first payment on our agreed upon proposal. Our team will communicate thoroughly with your specified times. After we complete various projects from your proposal, we will connect to be sure you are 100% satisfied. We cannot wait to see your business grow socially with more interaction and boosting your professionalism.
